Width:

1.000 inches

Thickness:

0.020 inches

Length:

3.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Inscription:

Collar assembly-air transport single side

Special Features:

Marking per ps160001

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1 condition h14 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
