Width:

75.0 millimeters

Thickness:

0.040 inches

Length:

290.0 millimeters

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend and symbol single side

Inscription:

Warning; gimbal lock must be engaged upon installation. Death or equipment damage could result single side

Product Name:

Plate, gimbal lock warning

Color:

Black single side inscription

Material:

Aluminum alloy

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
