Width:

1.5 inches

Thickness:

0.03 inches

Length:

4.0 inches

End Application:

Lau-7/a- (mod) launcher guided missile

Basic Shape Style:

Rectangular

Inscription:

Lau-7/a- (mod) launcher guided missile 106r510g2 single side

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
