Width:

2.380 inches

Thickness:

0.020 inches

Length:

0.700 inches

Design Shape:

Rectangle

Features Provided:

Rounded both ends

Color:

Green

Material:

Aluminum alloy

Material Specification:

Ams-qq-a-250 assn standard all material responses

Surface Treatment:

Anodize

Surface Treatment Specification:

Ams-a-8625, type ii, class 2 assn standard all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529e0
