**Width:**

1.000 inches

**Thickness:**

0.020 inches

**Length:**

3.000 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend single side

**Inscription:**

Stabilizer assembly - lh single side

**Special Features:**

Marking per ps160001

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1 condition h14 federal specification all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
