Width:

200.0 millimeters

Length:

210.0 millimeters

End Application:

Aslav

Inscription:

Warning: failure to apply the following data when operating mast could result in death or equipment damage! Single side

Product Name:

Label, warning, mast

Special Features:

Next higher assembly 715501

Material Specification:

Mil-dtl-15024 military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-dtl-15024 spec.
