Width:

13.0 millimeters

Length:

51.0 millimeters

End Application:

Aslav, land system

Inscription:

Veh e3 single side

Product Name:

Plate, grounding

Special Features:

Next higher assembly 715501

Material:

Aluminum alloy

Material Specification:

Mil-dtl-15024 military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-dtl-15024 spec.
