Width:

3.000 inches

Thickness:

0.003 inches

Length:

1.000 inches

Basic Shape Style:

Rectangular

Inscription:

Type designation; contract end item serial no. 32a; contract end item part no. 15279-507; design code: 94756; specification no. L473c2001; power control assembly; manufacturs code identification no. 94756 single side

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528w0
